SCHOLARSHIPS & MORE

Our PTSA awards several scholarships to seniors each year, funds several teacher initiatives, supports the efforts of each of the classes, and provides for assemblies, supplies, and other items on an as needed basis. We are a partner in the school community, but much of what we are able to do is a direct result of donations by the public and two key partners in the community.

Greg's Driving School, a long-time supporter of PHHS PTSA, offers driver's ed classes throughout the year at Perry Hall High School and for each student that attends a class at the high school, makes a donation to our PTSA. Popular with and convenient for Perry Hall students, Greg's Driving School donates thousands of dollars to our PTSA each year, money that helps to fund our general budget and make everything we do possible. For more information about Greg's Driving School classes offered at Perry Hall High School and a schedule of classes for the year, visit www.phhsptsa.org/driversed.

The Avenue at White Marsh is invested in the community and a strong supporter of Perry Hall High School PTSA. Each summer The Avenue provides our PTSA with the opportunity to rent chairs at their Shop & Eat to the Beat concert series on Fridays and Saturday nights. Community members make donations to our PTSA in exchange for their chairs. This is a wonderful opportunity for our PTSA to be seen in the community, and puts us on the path to reaching our financial goals for the year. We are so grateful for this opportunity and are proud to partner with The Avenue and its many businesses, several of whom also are participants in our Great Gator Restaurant Raffle.

THANK YOU!

Perry Hall High School PTSA survives and thrives due to the generosity and support of others. We count on our members who are mostly parents, students and staff of the school, as well as the strong support of our alumni, but we would be remiss if we did not thank those local businesses that support us on an ongoing basis. The contributions made to our organization both financially and through in-kind gifts means a lot to us and our success. There are many businesses that help us, but the following are among our biggest supporters.

GOLDEN GATORS SPONSORS

Each quarter the PTSA is able to reward approximately 1000 students who have made Honor Roll and those who have earned Straight A's thanks to the generosity of

Also Represented

Several Perry Hall High School classes, clubs and organizations also are represented at this year's Winter Arts & Crafts Fair. They are selling everything from refreshments, to bookmarks, to Perry Hall High merchandise, and more. Be sure to look for them and support them in their fundraising efforts.

WELCOME!

We are so excited you decided to join us today for our organization's eighth annual Winter Arts & Crafts Fair. We are pleased to be building on a tradition that has made this event one of the Perry Hall community's most anticipated holiday happenings and a great way to kick off the holiday shopping season. Once again, we are pleased to offer goods from more than 100 artisans and vendors. You will find a range of items from custom-made wreaths, to gifts for your pet, to unique ornaments and decorations, to Orioles and Ravens fan items, and jewelry for every taste. Whether you are coming to buy a particular item, or just to browse for ideas for that hard to find person on your holiday gift list, we are so happy you are here. The assortment of artisans and vendors participating this year could not be better.

This fundraiser is an important piece of our PTSA's financial plan for the year. With your support, it will be a success and continue to be a key contributor to our budget. A nonprofit 501(c)3 organization, we rely heavily on donations, membership dues, and an assortment of fundraisers so that we may be able to support the students and staff of Perry Hall High School, one of the largest schools in Baltimore County.

Funds raised by our PTSA pay for scholarships, student and staff recognition programs, our annual After Prom Party, occasional supplies, and a variety of student and staff initiatives. We appreciate your support and invite you to learn more about our organization and how you can get involved. Please visit our website at www.phhsptsa.org. Simply click on the appropriate gator or look at the tabs at the top of our homepage. Our website features information about our meetings, volunteer opportunities, our monthly Used Clothing Drive, PTSA scholarships, the After Prom Party, and Greg's Driving School, a major supporter of our PTSA. You can purchase a membership online or make a donation. Through December 12, you also can buy your tickets via our website for our other major fall fundraiser, **The Great Gator Restaurant Raffle**.

We are only as strong as our supporters make us. Thank you for coming to our event today. On behalf of our entire PTSA, have a wonderful and safe holiday season.

Sincerely,

Chris
